

Call for Quotation (CFQ)

Supply and Installation of Pre-Vacuum Autoclave Machine

(First Date of Publication: 04/01/2083)

Water Environment and Life (WEL Nepal) invite sealed quotations from interested and qualified suppliers for the supply and installation of a pre-vacuum autoclave machine of 250 liters capacity for disinfecting infectious healthcare waste. With the autoclave machine, the supplier must provide 1. Installation, commissioning, and user training, and 2. Warranty and after-sales service

Supply and Installation Location: Premises of the waste treatment center of BP Koirala Institute of Health Science (BPKIHS), Dharan

Deadline and address for Quotation Submission: Within 7 days of publication, by 5:00 PM at WEL Nepal Office, Munalpath, Ward No. 2, Biratnagar Metropolitan City, Morang.

Evaluation Criteria: 1. Technical compliance, 2. Cost-effectiveness, 3. Warranty and service and 4. Delivery time

Eligibility Criteria: 1. Authorized manufacturer or distributor, 2. Experience supplying similar equipment, 3. Technical compliance documentation, and 4. Proof of past performance

Required Documents: Along with duly signed and stamped quotation letter/form, provide the following documents:

1. Cover letter clearly mentioning delivery timeline. 2. Warranty and service details. 3. Company/form registered certificate. 4. VAT/PAN certificate and 5. Tax clearance certificate.

WEL Nepal reserves the right to accept or reject the quotation.

For specification of autoclave and other information please email to admin@wel.org.np or visit www.wel.org.np
